# THE AI SUMMIT LONDON

Where Commercial  
AI Comes to Life

11-12 June 2025  
Tobacco Dock

The headline AI event of London Tech Week

The AI Summit London brings together the most forward-thinking technologists and business professionals in the UK, Europe, and beyond to explore the real-world applications of AI. It's a two-day conference, and all-round immersive experience, that celebrates this emerging and transformative technology.
